To Whom It May Concern:

Ulysses S. Grant High School is applying for the Neighborhood Purposes Grant in partnership with the Greater Valley Glen Council.

The grant will support the Mentor Program to help ninth graders ease into high school through various activities and extended skill and team building learning opportunities. The Freshman Academy Administrator, Counselor and Lead Teacher will monitor the Mentor Program and mentees through ongoing planning and implementation with a core group of teachers and students throughout the school year.

We appreciate your consideration in supporting Grant High School's efforts in motivating students to remain in school.

Respectfully,
