SECTION II - PROJECT DESCRIPTION

4) Please describe the Neighborhood Improvement Project for which the grant is intended.

The project is entitled "Parent Center Education Initiative." Our goal is to purchase a laptop, projector and document camera to facilitate parent education classes. Presentation technology is a key component in many of our parent education workshops.

5) How will this grant be used to primarily support or serve a non-discriminatory, public purpose and benefit the public at-large.

This grant will be used to support technology in our "Parent Center Education Initiative" program. We will have several parent center workshops throughout the year that incorporate laptop, projector and document camera technology. These workshops include a series of Nutrition classes, Family Read workshops, Parents Supporting Academic Achievement (an 8-week workshop), ESL classes and literacy and math workshops focusing on grade-level specific standards. All of these workshops will help parents support the academic achievement of their
