BEAUTIFICATION COMMITTEE

September 29, 2009

To be submitted to the GVGC President at least 120 hours in advance of monthly Board meeting. Not to exceed 2 pages.

PROPOSED MOTION: That the GVGC Board authorizes the expenditure of an amount not to exceed \$2500 for the installation and footings for 2 concrete tables on a cement pad at Laurel Grove Park. This motion supersedes any and all previous motions regarding this installation.

PROPOSED BUDGET EXPENDITURE (if any): Not to exceed \$2500.

COMMUNITY BENEFIT STATEMENT (if applicable – 100 words or less)

The GVGC Board previously purchased 2 concrete park tables for Laurel Grove Park. The Motion approving same also set aside money for the installation of these tables on a cement pad. Recreation and Parks lost the concrete tables and it has taken some time to locate them in their storage. These tables are now located and ready for installation. However, costs associated with installation may have increased so it is necessary to allow a greater amount than previously authorized for the installation of these tables on a cement pad.

PROPOSED COMMUNITY IMPACT STATEMENT (if applicable) – 100 words or less: (Attach to any applicable Council File No. _____).
