**Subject:** Resignation from GVCC

Dear Terry:

With deep sadness and sorrow I hereby submit my resignation from the GVCC. It was not an easy decision for me to make, however due to health reasons, and an overload of work that will require me to work at nights on the Eastside Rail Line Extension, I had no other choice.

As you know, I have served on the Board since 2006, and it has been quite an honor to work with such dedicated persons. I will continue to support the GVCC as much as I can, so please keep me posted as to any events I can help with.

Thank you in advance for your understanding.

Sincerely,

Abdul Zohbi
