**Subject:** Re: BOARD MEETING

Terry, I am not able to attend Tuesday night's board meeting, as it is my scheduled work shift. Also, I am writing to inform you that I am resigning from the GVGC effective immediately.

My resignation is based upon a few reasons. I currently have my home for sale and will be re-locating out of the Valley Glen area. Therefore, I will not fall into the parameters of the area, as my family and I are moving to the Santa Clarita area. Also, I am dissappointed with the management and lack of participation of some members of the board. When I joined, I envisioned the GVGC to tackle matters at hand that are relevant to our area. More times than not, we spend too much time on issues that are not condusive to what our purpose is. It seems that some members on merely on the board "to better themselves" for upward mobility in other government forms. I have a young family, and I have precious time to spend with them and would rather not waste it on countless hours of meetings where nothing gets solved.

I wish the GVGC great success in the future. It was a good experience for me to be part of the board and hope whoever replaces me, is doing it for the right reasons.

Steven Hamm
