( this comes out to 2,400, 2 eggs per person =1200 people)

TOTAL           \$ 1,172.62

### SUPPLIES

I went to Smart n Final the other night and found that many items have "Club Buy" prices, according to Manny the Assistant manager, these stay pretty steady throughout the year. **We will have to call him at least a week in advance for the table cloths and eggs. This is to make sure that they will have those items in stock for us.**
